X9b: feedback +

We will take care of registering your points for this task; there is no need to submit anything here.

Your scores

Your scores for X9b will appear here; you can simply [reload](#) this page to see the latest updates.

What you will need to do in this task

Please read the [general instructions for this exercise](#) first. Here are the additional instructions specific to this task:

Provide course feedback in the **official Aalto course feedback system**! If you have registered for the course as usual in Sisu, before the course ends, you should receive an automatic email from the course feedback system. The email contains a personal link, and if you provide feedback using your personal link, it will automatically count as a submission for this task. Nothing else is needed, we will record the points for you.

Grading

Your submissions are graded by our course staff. You can get **up to 1 point** if you submit a correct solution no later than on **Sunday, 04 June 2023, at 23:59:59 (Helsinki)**.
